History of Brand

is a household name for various consumer products as well as Industrial and intermediate products and services in India and in more than 30 countries of the world. It has become a well known global brand. Brand's mission had been to add vitality to life by meeting everyday needs of people to feel good, look good and get more out of life. Name is derived from the first textile business venture of the family of Shri Rikhab C. Jain, present and founder Chairman of T.T. Group started by his eldest brother Shri Bhanwar Lal Baid at Calcutta in 1947. This business firm Tarun Textiles was started after seeking blessings from the founder's mother Mata Sugani Devi (Wife of Shri Jes Raj Ji Baid of Bikaner) from Adhistat Dev Shri Madhuban Bhomia Ji Maharaj of Paras Nath Hills in Bihar (Now Jharkhand) where

Twenty Tirthankaras (T.T.) of Jains got Nirvana. The family business then was named "Tarun textiles". The business was shortly thereafter joined by second Brother Shri Jhanwar Lal Baid. The present and founder Chairman of T.T. Group being the youngest of three brother joined business at Calcutta in 1960. In the year 1964, when it was about to introduce new range of Underwear and Undergarments within the business run by "Tarun Textiles". The abbreviation of "Tarun Textiles" was adopted as brand name. Between 1964 to 1970 huge quantities of undergarments were exported from India to countries in Eastern Europe, mainly Czechoslovakia, Holland, Hungry, Yugoslavia and Russia.

In the year 1970 as a matter of partition amongst three brothers, name "Tarun Textiles" was detained by the eldest brother Shri Bhanwar Lal Baid and "Tarun Textiles" continue to sell Seaman, See India Brands of Knitwear. Incidentally, in these years even brand VIP was being produced and marketed by our family Tarun Textiles. In those years Hindustan Hybo, present owner and user of Brand Name VIP did not even exist at all. However, Brand name VIP

was discontinued by "Tarun Textiles" even much before Hindustan Hybo launched VIP Brand of Undergarments.

The credit of coining the word T.T. as abbreviation of "Tarun Textiles" for underwear Brand goes to Shri Dwarka Das Harmilapi of Twin Star Agencies, Khurshid Market, Sadar Bazar, Delhi - 6, Twin Star Agencies were booking agents of T.T. range of Products between 1964 to 1970. brand was also marketed by T.R. Gandhi & Co., Delhi, in certain territories alongside Harmilapi's Twinstar Agencies. Later on Twinstar Agencies dropped out of the scenario. It is relevant to mention that it was in line with "R R" Brand of underwears then very popular amongst hosiery brands. It belonged to RR Mills Bombay owned by Ram Narain Ruia family.

Family Enterprises in the name of Tirupati Textiles, T. T. Corporation and Jeewan Jyoti Nidhi were also active in Hosiery business and they have become non-operative since long. T.T. Finance Limited a public listed company dealing in Finance and Automobile leasing business. T.T. Properties (P) Limited, T.T. Sales & Services (P) Limited, T.T. Dr. Rikhab C. Jain, Brand Owner and Founder of T.T. Group.

Born to a respected Jain family on 24th August 1944 (Auspicious Rishi Panchami Day) in Bikaner, Rajasthan, India. Sh. Rikhab Chand Jain's upbringing was shaped by Indian quintessence and the teachings of the Bhagwad Gita.

Dr. Jain is a self made businessman in his own right. He had joined his family textile business at Calcutta in 1960 immediately after completing Matriculation from Bikaner. Even before matriculation he had a meaningful exposure and initial training in business for four years 1956-1960 in the family banian business at Bikaner. He continued his graduation at St. Xavier's College, Calcutta with merit listing and high esteem of his Principal Father Joris and other professors. They guided him and helped him publish two text books on then new subjects "Secretarial Practice",

"Business Correspondence & Secretarial Drafting" which were prescribed by Calcutta and Burdwan Universities for B.Com courses. It is just an example how Shri Jain outshined his college mates and won the heart of all in the then Bengal Academic World. Father Joris wanted him to join St. Xavier's College as a lecturer.

He has done his MBA with merit in 1967 from Indian Institute of Management, Calcutta which was established in 1964 with MIT of USA. He came in contact with illustrators academicians like K. T. research assignments as well particularly from USAID, and Administrative Staff College Hyderabad. He had contributed various feature articles and columns in important Dailies and Economic and Business papers. He had developed a flair for writing, reading, teaching and researching. He was well admired and acclaimed both by his colleagues and students. Jain's students are now occupying top executive corporate posts, CEO level of multinational Corporations. Incidentally, although very difficult to be selected for MBA admission, Jain got selected by then existing both management institutes at Calcutta and Ahmedabad and additionally by New York University as well. He however opted for IIM, Calcutta.

He is a Fellow Member of the Institute of Company Secretaries, U. K. as well as India. In, 2003 he was accorded Honorary Degree of Doctor of Philosophy in Management (Ph.D.) by West Indies University.

Visionary Entrepreneur: Dr. Jain had to move from Calcutta to Delhi on insistence of his family in view of problems created by Naxalite movement. His two elder brothers continued business at Calcutta and deputed him to Delhi to build up hosiery business. This was a path breaking decision in Jain's life. With a family contribution of just Rs.4 lakh, Jain started manufacturing quality undergarments for men in Delhi with first year's turnover of Rs. 32 lakhs, which was Rs.8 lakhs short of the immediate first running competitor VICTOR brand. From then onwards steady business growth routing through various innovative, path breaking, pioneering and never before features winding through corporatization and public issues, it has ultimately culminated into a T. T. Group.

"Character" is real wealth: He is satisfied that he has earned "goodwill" and retained a sterling character. It is more valuable than mere creation of wealth. He holds himself as a "trustee" of wealth in tune with the Gandhian way. He has a habit of appropriating minimum for personal consumption keeping clean habits and extremely simple life. He has earned top esteem in various fields be it industry, business, community, neighbourhood, society. He has been and is serving on board of various schools, industry and trade associations, hospitals, dharamshalas, temples, trusts and societies. He works for the cause of Ahimsa, Vegetarianism and Drug de-addiction.

A public Social Figure Head: He had held for many

years position of President in All India Hosiery Industry Federation. He had organised first Knitwear Export Fair at Taj Hotel, Bombay in 1974. He had headed nationwide centenary celebrations of Knitting Industry in 1992. He had been Chairman of Jain Mahasabha, and Chairman of Lord Mahavir 26th Centenary Celebrations, in Delhi Pradesh.

Gandhian Votary: Dr. Jain cherishes virtues, values, principles, ethic and fairness to all his customers, employees, shareholders, business dealers and community at large. He is miles away from greed, lust and cleverness, normally attributed to present day business community. Although he is in business, he has indeed modeled himself as a pious "brahmin" and least like a "typical bania". He is an ardent Gandhian for whom purity of means is much more sacred and important than "ends". He does not play foul and he wants to protect other side's interest first. He declares, he does not want to take advantage and make profit at somebody else's loss. He wants to have only deals that ensure meaningful gain for both sides and that too first not to himself but to his counterpart.

Dr. Jain believes earning money and creating wealth is of no meaning, if one does not master the art of spending and using money and wealth. If there are a thousand people knowing how to earn money, hardly ten in the present day society know how to properly use it. Dr. Jain has first demonstrated it by using his hard earned money in an exemplary manner for the benefit of the society. If he would have not cared for his principles of Fair and Clean Means, rise of Jains' business could have been easily many times more. But he feels happy and proud of his goodwill, integrity and repute. It is all dear to him, not money.

Beside Gandhi, Dr. Jain closely follows ideologies professed by ThiruVyavalur, Kabir, Mahaveer, Krishna, Vivekanand, Chanakya, Vidur and Mahatma Budha. In the present day masters influencing his thoughts mention could be made of Dr. D. S. Kothari.

Multifaceted Personality: An able academician, management expert, entrepreneur, businessman, industrialist, social worker, Dr. Jain is all rolled in one. He is a prototype ideal human being. He aspires to serve his people and country the best he can with all his abilities and means at his command.

**T.T. ka
FiTT hamesha
SuperhiTT**

It is his motto, his goal. The society can make him play dominant role in yet higher positions in public works, for future would demonstrate that personalities casted in Jain's mould would become rare and short. It is for the society to make best use of such exceptional personalities for the good of the humanity and the nation.

Rising Son Certain to Shine: Dr. Jain has bright future prospects in business as well as in public life be it spiritual, social or gubernatorial role. He fits well in most of the roles, best more appropriately if it demands fairness, impartiality, innovation, challenges and fast performance. He leads, he performs, he delivers rarely people can match him in his pursuit of excellence in whatever he does, and he succeeds whatever he is called for to do. He is almost nonpartisan, with amity and goodwill for all. He is a human being of "rare cast" an all appreciated win-win would.

AUDI AGRespondent\

CURRENT STATUS:-PENDING

ORDER DATED:-21ST JULY 2015

REMARKS PASSED BY DELHI HIGH COURT:-

“The Plaintiff no.1 claims to have a fully integrated vertical chain from fibre to fashion and export textiles, agro-products, readymade garments, textile piece goods, hosiery items, yarns, edible foods, confectionaries, wind mill, sweets, hand tools, small machineries, cosmetic items, medical products, surgical aids, band aids, electronic and electrical apparatus, agricultural implements, bags, building materials etc. These items are stated to be available online and offline even in the remotest part of the country. It is claimed to be a Well Known Multi Product Global Brand in 65 countries that “T T” is registered in almost all classes of the schedule to the trademarks rules.....

This court is of the view that the plaintiffs have made out a prima facie case for an ex-parte ad interim injunction and in case such an order is not passed at this stage, irreparable prejudice would be caused to them. The balance of Convenience too lies in favor of the plaintiffs.....”

T.T. BRAND IS WELL KNOWN

REMARKS PASSED BY DELHI HIGH COURT:-

“It is stated that the Plaintiff No.1 is a prior user of the trademark 'T.T.' and has been using it continuously and uninterruptedly since 1968. The use of the mark TT by the Defendant reveals a deliberate and malicious intent on its part to misappropriate and exploit the reputation and good will of the mark TT and the copyright therein enjoyed exclusively by the Plaintiffs throughout the country and abroad. It is stated that use of the impugned marks TT Tent by the Defendant is bound to cause

confusion and/or deception amongst the public at large who may be led to believe that the goods of the Defendant emanate from or are produced/manufactured by the Plaintiffs. This is bound to adversely affect the Plaintiffs goodwill and reputation.

The affidavit by way of evidence of the Plaintiffs, which remains un rebutted, sufficiently proves that the Plaintiff No.1 is the proprietor of the registered trademark/word mark T T in Class 25 and that it has also been a prior user of the trademark 'T.T.'

IN THE COURT OF HIGH COURT OF DELHI AT DELHI FAO(OS) 145/98

“....To us it appears that the curvilinear shape (referring to the Appellant's Trademark) is not a heart shape but has closer resemblance to an onion which is sprouting on both sides which itself seems to make the design something which does not exist in nature and, therefore uncommon. Adoption of such a shape without any material change in its appearance would prima facie be, therefore infringe the copyright of the Appellant”

ORDER DATED:- 03rd Nov 2011

REMARKS PASSED BY TRIBUNAL:-

“On a bare perusal of the two marks, it is clear that the respondents have adopted the ornamental onion shape get up/design only to ride upon the goodwill and reputation earned by the Appellants assuming the respondents have adopted the letters from their trading style DMR Textiles, they have given no reason for adopting the onion design. We therefore are of the view that the adoption is dishonest. When the adoption is dishonest any amount of user does not help the respondent to prove their case”
