Vertically Integrated Brand

TT Limited is a vertically integrated textile powerhouse, renowned for its Excellent control over the entire production process from raw cotton to finished garments.

Fibre

our commitment to diverse and responsible sourcing is evident in our meticulously chosen fibres, including organic cotton, bamboo, modal, Polyester, recycled materials, & premium blends

Yarns

State-of-the-art technology with traditional craftsmanship, ensuring each strand of yarn is spun with precision and care.

Fabrics

We Produce high-quality textiles through innovative knitting techniques, promising durability & comfort. With our commitment to excellence,

Garments

TT Brand, a leader in innerwear & fashion for 60 years, combines cutting-edge Legacy designs with unmatched quality & comfort

Yarns

OEKO-Tex & BCI certified yarn that is made from the best available raw material

We can offer the following:

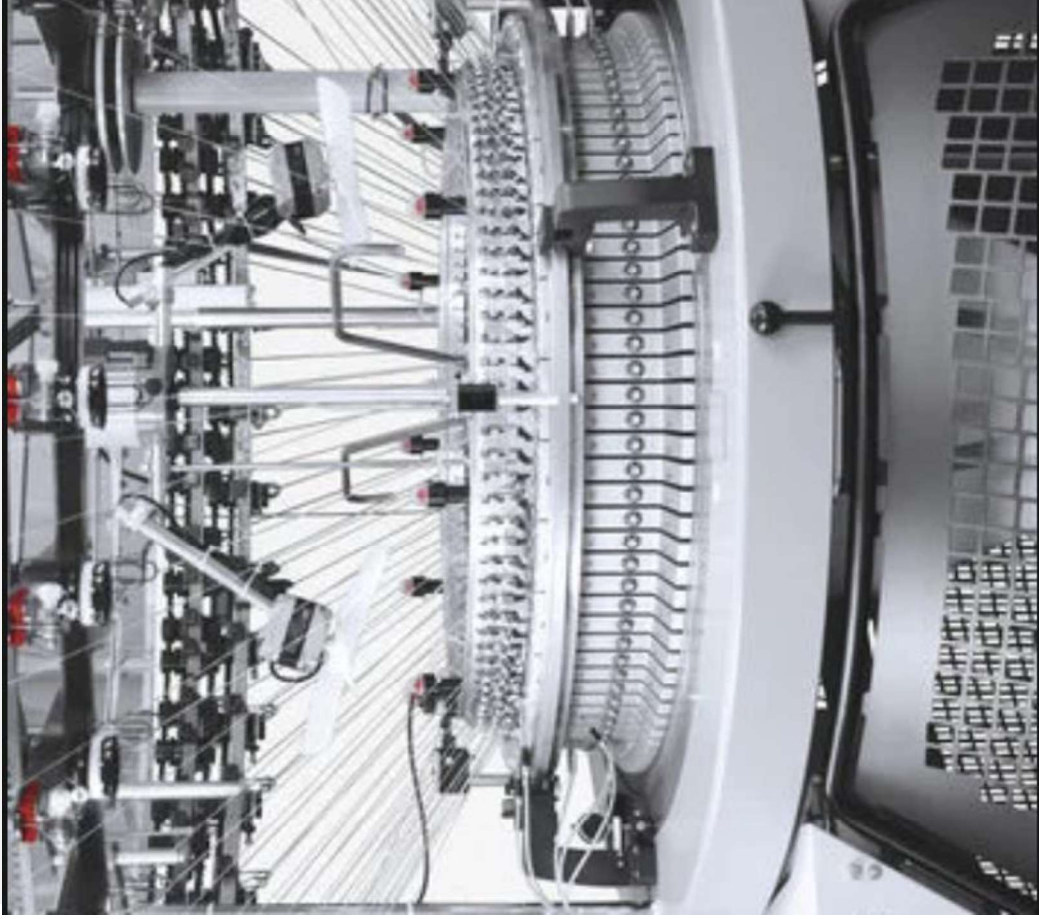

- ❖ 100% cotton yarn Weaving and Knitting (Combed & carded,) - Count 16/1 to 60/1
- ❖ 100% Cotton Yarn Combed Compact - Count 16/1 to 60/1
- ❖ OE Yarn - Count 6/1 to 20/1
- ❖ PC Yarn (all blends) - Count 20/1 to 40/1.

All yarns are auto-coned, electronically cleared and spliced on latest **Schlafhorst Autocoders**

All individual cones are passed through ultra-violet rays for detection of shade variations.

Exporting to China, Korea, Taiwan, Hong Kong, Indonesia, Malaysia, Vietnam, Bangladesh, Peru, Brazil, Spain, Italy, Greece, Poland, Colombia etc.

TT Limited

Fabrics

Fabrics are knitted from the finest quality yarn which is **Super Combed Yarn, Combed Compact Yarn, PC Yarn (All Blends), and 100% Polyester Yarn.**, auto-coned and electronically cleared

The fabric is knitted from the latest **Mayer & Cie** machines at completely conditioned unit

Every roll of greige fabric is **tested against strict international parameters**

We produce **single jersey, interlock and rib fabric**

Fabric checking machines for **100% checking of produced fabric** and ensuring quality control.

Fabric is sold to garment exporters in India as well exported to many Countries
